Parish Earth Fair

We're currently planning a Parish Earth Fair *after Sunday Mass* in *September/October 2018* to celebrate sustainable urban living. The idea is to invite groups (community or companies) to set up educational displays which are focused on environmental sustainability. Some initial ideas are: organic foods, home grown products, worm farms, Bokashi composting, plastic bag alternatives, eco products, any other environmentally conscious lifestyle choices. If you're interested in being part of the planning committee for this exciting initiative please contact Mike Jensen mikejensen@hotmail.co.nz
