Introduction to the Gospel

Fourth Sunday In Ordinary Time

Today's text is the continuation of last week's Gospel where Jesus announces his mission in his home town. His programme is to bring hope to the hopeless and inclusion to the outcast. Here we learn of how his mission is received – initial approval very quickly turns to rejection! What Jesus is pointing out is that God acts unexpectedly and that his love and care are available to all people, not just to the people of Israel even though their needs may be great. One of their own has dared to challenge their preconceptions and they vent their disapproval with violence - a violence which will reach its culmination on

Jesus, filled with the power of the Spirit, came to Nazareth where he had been brought up.

the cross. Jesus leaves Nazareth and never returns. The remaining action in the Gospel of Luke occurs in Capernaum and on the road to Jerusalem where the final rejection will come to completion. Have you ever been genuinely shocked by something said by someone you thought you knew well? Have others been shocked by your decision to live a life of faith?
